## TERMS OF SALE

- 1) A 10% buyers charge will be added to the hammer price of each lot purchased.
- 2) All bids are per lot as numbered in this catalog.
- 3) We reserve the right to withdraw any lot prior to sale.
- 4) All successful bidders shall be billed for postage, handling and insurance.
- 5) NASCA reserves the right to reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion.
- 6) A NASCA auction bidder expressly waves any claim or right to an accounting, damages or compensation arising out of NASCA's failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.
- 7) United States coins and currency will not, in conformity with law, be opened at less than the face value.
- 8) No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.
- 9) In the case of a tie between a mail bidder on the book and the floor, the mail bidder shall take precedence.
- 10) All bids must be in whole dollar amounts; this includes percentage increases.
- 11) Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.
- 12) No minors may participate in our sales. Agents bidding on behalf of others will be held liable if their principals fail to make payment.
- 13) Payment for purchases is to be made in cash upon receipt of invoice. No lots may be taken away unless paid for in full. A late charge of 1½% per month will be charged on the invoice total if payment is not received **within 10 days** of mailing the invoice. Bidders not known to us are required to deposit 25% of their bids in advance.
- 14) Title does not pass until payment in full is received. NASCA reserves the right to await clearance of any check before making delivery.
- 15) If a collection agency attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by NASCA shall be borne by the defendant. The signer of a NASCA bid sheet or participant in the auction concedes the jurisdiction of the courts of New York State or the U.S. in New York City as NASCA alone shall elect. The participant in a NASCA auction also assumes both corporate and personal liability for unpaid auction bills.
- 16) New York State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST-128.1 has been filed properly, under regulations effective 1 December 1982.
- 17) NASCA may reopen the bidding on a lot under the following circumstances: 1) NASCA has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before the bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the Auctioneer.
- 18) In the event of any dispute, the decision of the auctioneer is final.

### GUARANTEES AND RIGHTS OF RECOVERY

- 19) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.
- 20) Persons placing bids are responsible for meeting the maximum amounts represented on their bid sheets. NASCA reserves the right to reject frivolous complaints and to take appropriate actions against such bidders under paragraphs 5 and 15 above.
- 21) All material in this catalog is guaranteed to be genuine unless otherwise described.
- 22) No lots may be returned by floor bidders except for non-authenticity.
- 23) Mail bidders may return lots for reasons of non-authenticity or improper description within 5 days of receipt or forty-five days from the auction's last day, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it.
- 24) In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement day (45 days after the sale), notify NASCA of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.
- 25) In the event of litigation the plaintiff shall pay NASCA's legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit together with interest on any funds expended at the prime rate at Morgan Guaranty Trust Company from the date of actual disbursement.
- 26) The same protections applicable here to NASCA apply to each and every one of their officers and employees unless they shall be convicted of knowingly selling false or stolen goods.
- 27) NASCA assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.
- 28) All accounts are payable to NASCA in U.S. funds and remittances must cover the service charges for foreign drafts which shall be added to each invoice. No payments will be received by NASCA in the form of credit cards for auction sales, catalogs or other monies due to NASCA.
- 29) The placing of a bid shall constitute **full acceptance of the foregoing terms and conditions of sale.**

Where non-published reserves exist, the auctioneer may make bids in response to bids from others. NASCA and R.M. Smythe & Co., Inc. reserve the right to include their own material in this auction. NASCA has advanced money to consignors where requested. In addition, NASCA has agreed to advance money to purchasers who have established credit in advance.

## ESTIMATES

Where estimate ranges are given the lower end of the range indicates what we think an item may sell for on a dealer-to-dealer basis (wholesale). The upper end of the range indicates what is, in our opinion, a fair retail price. You may bid higher or lower, though our experiences indicate that very few bids under the low estimate are successful.

## CONDITION TERMINOLOGY FOR PAPER

- Gem Unc.** (Gem Uncirculated) - The perfect uncirculated item, clean, bright, vivid, crisp (where paper permits), well-margined, unimprovable, without folds.
- Choice Unc.** (Choice Uncirculated) - A lovely uncirculated item, having only a hint of aging or unevenness of the margins, face or back, or narrow margins which take it out of the "Gem" class.
- Unc.** (Uncirculated) - As made or issued, but margins may be poor, the item lightly aged, with border trimming.
- Choice AU** (Choice Almost Uncirculated) - Essentially a mishandled uncirculated item with deficiencies like a corner fold, teller counting smudge or count wrinkling.
- AU** (Almost Uncirculated) - There is one fold, a teller counting smudge or counting wrinkling present.
- EF** (Extremely Fine) - An item which may, at first glance, look uncirculated but which has several petty folds, or a hard crease down the center perhaps with corner folds. Crisp, bright, vivid and pleasing, the paper as made, permitting.
- VF** (Very Fine) - Typically an item marked by moderate quarterfolds with perhaps a few other signs of handling. Should be clean, not seriously aged, torn, or pinholed.
- F** (Fine) - The last grade of an item in which the paper still has body. The folds are numerous and the design is beginning to show signs of soiling wear.
- VG** (Very Good) - A well circulated item, complete, unimpaired except for petty edge splits, pin holes, some surface splitting along heavy folds and soiling.
- Good** (Good) - An even more heavily circulated item with body holes, petty tears and splits, very soiled and tired, scarcely legible.
- Fair** - Heavily worn, split, holed, up to 10% gone, legibility seriously impaired.
- Poor** - A mere remnant, tattered and torn, scarcely readable with typically more than 10% of its surface area gone.
- Abt** (before a grade) - A shade below the grade it preceeds.
- Plus or +** (following a grade) - A shade better than the grade.
- VF-EF** (hyphen between grades) - The grade is about halfway between the two grades shown.
- VF/Good** (slash between two grades) - Face and back are two different grades. The grade preceeding the slash is for the face. The grade following is for the back.

### Condition Terminology for Coins

Circulated coins are graded according to the ANA guidelines. Numerical designations for uncirculated coins are according to generally accepted industry standards.

## CHINA

386A (19th century and earlier) Group of bronze coins and amulets. Good to VF-EF, the better items VF-up 40 Pcs, largely different. (Photo) (\$200-400)

A few Japanese included. All were sewn, in the last century to three pieces of cloth; 2 items are loose. The coins are interesting but small cash, and some are old copies. There are key and "pants" money, attractive but contemporary with the cloth. The dozen amulets, some depicting animals, are of course all 19th century or earlier in the \$10-40 class. One inscribed piece with a dragon's face may be an Indonesian fantasy. [40]

## FRANCE

387A	1694-D (Lyon). ECU. Sobin 10, Dav 3813. Not overstruck on a previous coin; rare thus. Central adjustments, but otherwise Nice VF/VF-EF. (Photo)	(\$250-400)
	Louis XIV cuirassed bust, head bare, small sun above/round Bourbon arms, palms flanking. Sobin's collection included a "reformation" example (from 18 1695-D's) he could track. Strikes on new flans are distinguished in the dies as well, having a dot, not a crescent, after the date.	
388	1764. Ecu. Dav 1331. VF+, nice toning. (Photo)	(\$75-100)

### HESSE-DARMSTADT

395 1904. 2 Mark, Phillip, 400th Birthday. Y.80, J.-74. Proof, minor field marks. (Photo) (\$100-Up)

Obverse is matte finish (as if only uncirculated), the reverse brilliant. There are two tiny carbon spots on the reverse.

Please note that a 10% buyers charge will be added to each lot purchased on all purchases.

- 395A **N.d.** (1739-68) **Hirsch-gulden.** Schon 49 (DM 2000, very fine). **Rare. EF**, above average thus. **(Photo)** **(\$400-600)**

Stag (German-hirsch) walking right; others locking horns in the distance/poem on stag's hide. Some weakness, reverse center, and hairline diebreaks. Still quite nice, showing minute detail not well seen on the usual VF examples. One of a series of eight gold and larger silver "hunting" coins issued under Ludwig V111, it is one of the few numismatic items to depict its subject matter inside and out.

## SAXE-WIEMAR-EISENACH

- 396 **1903 5 Mark.** Grand Dukes Marriage. Y 173. Dav 848 **Impaired Proof. (Photo)** **(\$200-Up)**

London mint. Bust/second "hand" type; moneyer and mint names in legend. Faint crack in center, obverse and reverse, but probably still a good bit better than VF.

- 398A **N.d** (978-1016) **Penny.** Aethelred II. Seaby 1151. **EF**, very minor damage. **(\$150-225)**

Bust left/long cross. Long, thin and faint crack (scratch) in central obverse. Deliberate, contemporary cuts (small) in central reverse; these are commonly seen and were the "chopmarks" of their day.

- 398B **N.d Penny** William the Conqueror. "Paxs" type. Seaby 1257 (F110 VF). Some legend weakness, else **EF. (Photo)** **(\$225-300)**

Facing bust/letters P-A-X-S in annulets, in angles of a cross. Gleaming silvery-grey surfaces swathed in blue—gold iridescence.

- 398C **N.d** (1180-89) **Penny.** Henry II. Seaby 1345 (F70 VF) **At least VF.** **(\$100-125)**

Degenerate facing portrait/short cross, names of Moneyer and mint (Ravl on Lvnd) in circular legend. Lvnd=London. Nice color; little actual wear.

- 398D **N.d** (1199-1216) **Penny** John Seaby 1353. **Vf plus, flan flaw** **(\$30-50)**

Facing bust, archaic name of "HENRICVS"/short cross. London mint. Good portrait.
